Pete,

11/1 is a possibility but I will need to confirm with him- he's got a few standing meetings on Thursdays so that's a tough day. I will get back to you once I get a chance to speak with him. It likely won't be the entire 90 minutes.

Ayanna-

The A's are looking to give Bill an update on their proposed gondola concept. We have a standing meeting with the A's on Thursdays at 1:30-3pm in the Chabot conference room. Would he have any time available during that slot in the coming weeks to attend so we can ask the A's to have their staff give us a presentation on the details of their concept?

Pete – I hope you are well.

Dash Davidson from our team spoke with Bill after the agencies meeting last week and they discussed a gondola update meeting with the city. This would be an isolated meeting than our weekly planning meeting about the site plan. Would you mind setting up a meeting with your team (including Bill) to meet with us about the gondola? Meeting can take place at your offices or ours.

I will let Dash confirm availability on his end.

Thanks,

Miguel Duarte
