Crescentia-

Bijal and I can make time available Thursday and the Dimond conference room looks to be free at the moment from 11am-1pm. How much time would you like to set aside, and can you let me know who you anticipate attending the meeting.

Thanks for your time this morning. As you consider your calendar for a CEQA Kick-off, this Thursday morning/early afternoon works for both ESA and the A's (we're working through contract terms).
