Join WorkCompCentral on the movement to change the story of workers compensation...

Since its inception, the Comp Laude® Awards & Gala event has set out to change the story of workers compensation to a more positive narrative.

How do we do this?

- 
- 
- 1 By producing educational content aimed at how we as an industry can create a positive culture while delivering workers compensation benefits.
 - 2 By recognizing injured workers, professionals and companies who deserve to be awarded for their positive contributions to the industry.
 - 3 By developing unique ways for exhibitors and sponsors to engage face-to-face in order to have memorable interactions with the attendees.

Inspired by the vision of WorkCompCentral's founder David DePaolo who believed "The Grand Bargain is alive and well when we do the right thing!" Comp Laude® is a must-attend event for those in the industry who want to stand out by making a positive impact.

We'll continue our tradition of offering up a powerful educational agenda produced by leading industry experts, along with these favorite components to our unique event:

- Earn Continuing Education Credits!
 - Comp Laude® People's Choice Awards, a TED-style presentation with an award up for grabs -- the audience votes for the best presenter! (presenters submit for a chance to present and are selected by a committee)
 - Speed Networking -- a wildly interactive and entertaining session
 - Over 15 hours of networking time over the course of 2.5 days
- Our coveted Comp Laude® Awards Ceremony

The Comp Laude® Awards & Gala takes place in Huntington Beach, CA and promises to elevate you and the workers compensation industry to an entirely new level of understanding, recognition and positivity! Join us to **Learn. Connect. and Get Inspired!**
