5.0% Water soluble boron
Derived from boric acid and sodium molybdate.

General Information
BRANDT SMART B-Mo is specifically formulated for delivery of boron and molybdenum for all crops.

Rate Recommendations

FOLIAR APPLICATION
Field, Row, Vegetable and Vine Crops: Apply 1/2-1 pint per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur.

Fruit and Nut Tree Crops: Apply 1-4 pints per acre per application throughout the growing season. More frequent applications at 2 pint per acre may be needed to correct deficiencies once they occur.

Ornamentals: Apply 1-2 pints per 100 gallons water. Cover foliage thoroughly to point of runoff.

SOIL APPLICATION
All crops: Use 1-3 quarts in a minimum of 10 gallons of water per acre.

Mixing and Handling Instructions
Put 1/3 to 2/3 of total required water volume in tank. Add adjuvants, fertilizers, and pesticides if desired and agitate until thoroughly mixed. Add recommended amount of this product and agitate until thoroughly mixed. Fill tank with remainder of desired water.

The use of an adjuvant is recommended. Performing trials with adjuvants may be useful in determining the best inclusion rates for optimal performance. Check chemical mixture compatibility using a jar test prior to application.

BRANDT SMART B-Mo is recommended for all crops where boron may be deficient; however overapplication may result in serious injury to susceptible crops. The application of fertilizing material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

Information regarding the contents and levels of metals in this product is available on the Internet at http://www.aapfco.org/metals.htm

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

WARNING: Suspected of damaging fertility or the unborn child.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read. Wear protective gloves/clothing and eye/face protection. First Aid: If exposed or concerned, get medical attention. Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local regulations.
