

CODE 25

10-0-10 Plus 0.5% B

GUARANTEED ANALYSIS

Total Nitrogen (N)	10.00%
7.50% Urea Nitrogen	
2.50% Water Soluble Nitrogen*	
Soluble Potash (K ₂ O)	10.00%
Boron (B)	0.50%

Derived from urea, methylene diurea, methylene ureas, potassium chloride and sodium borate.

*2.50% Slowly Available Nitrogen from methylene diurea and methylene ureas.

Chlorine (Cl), maximum	8.00%
Lbs. N/Gal	1.00
Lbs. K ₂ O/Gal	1.00

KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed
 May be harmful in contact with skin
 Causes serious eye irritation
 Causes skin irritation
 May be harmful if inhaled

USE WITHIN 9 MONTHS FROM DATE OF PURCHASE.

WARNING: Contains Boron. Do not use on plants sensitive to Boron. Use of Boron on crops other than those recommended may result in serious injury to the crop.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes skin irritation. May be harmful if inhaled. Avoid contact with eyes and prolonged contact with skin to avoid irritation. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of the spray mist. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption. Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID

IF SWALLOWED:	Call a poison center or doctor if you feel unwell: Rinse mouth.
IF IN EYES:	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.

IF ON SKIN:	Remove contaminated clothing and wash skin with soap and water. If skin irritation occurs, get medical advice/attention.
IF INHALED:	Call a poison center or doctor if you feel unwell.

STORAGE AND DISPOSAL

Keep container tightly closed. May be stored in unheated area, but keep from freezing. Do not contaminate water sources by cleaning of equipment or disposal of rinse-water. Do not store in unmarked containers. Store in area that is protected from excessive heat (32°C or 90°F) and moisture. Dispose of empty containers by triple rinsing (or equivalent) with water and pouring rinsate into spray tank. Recycle rinsed containers whenever possible or puncture and discard empty containers in a landfill in accordance with current local, state, International and federal regulations. For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

0.25 lbs/gal of Nitrogen, out of 1.00 lb/gal of the Total Nitrogen in this product, is controlled release. This product is recommended for use as a supplement to a regular fertilizer program only.

PRECAUTION: Use of the product in accordance with label directions is not expected to adversely affect normal vegetative and/or reproductive growth in most situations. However, various environmental and agronomic factors, such as crop stress associated with high temperatures and/or dry conditions, make it impossible to eliminate all risks associated with the use of the product; therefore, crop injury is always possible. The user assumes all risks of use and handling. In an effort to reduce the risk of crop injury, apply early morning or late evening.

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. Consult your local Helena Chemical Company representative for further information.

GENERAL RECOMMENDATIONS

CORN (Field, Sweet, Silage): Apply 1-3 gal./acre to supplement nitrogen (N) and potassium (K) needs. Apply 1-2 gal./acre when used with fungicides, insecticides.

When this product is applied between V-8 and VT an adjuvant may be added to increase coverage providing it is an APE free adjuvant.

COTTON: Apply 1-2 gal./acre at first bloom followed by 1-2 gal./acre 10-21 days later. Reapply as indicated by tissue analysis or Cardy Meter readings.

PEANUTS: Apply 1-2 gal./acre at bloom and repeat at 7-14 day intervals as necessary to address nitrogen (N) and potassium (K) deficiencies.

RICE: Apply 1-2 gal./acre at booting. CoRoN® 10-0-10 Plus 0.5% B applied mid-season can be utilized as a component of a comprehensive fertility program.

SOYBEANS: Apply 1-3 gal./acre as a nitrogen (N) supplement. Apply at V6-R4 growth stage.

SUGAR BEETS: Apply 1 gal./acre. Apply as needed.

SUGARCANE: Apply 2-4 qts./acre to aid in maintaining potassium (K) levels.

SWEET POTATO: Apply 1 gal./acre for 3 or 4 total applications.

TREE & FRUIT CROPS: Apply 1-3 gal./acre in 125-150 gallons of water per acre.

Cherries – apply prior to fruit set.

Peaches, Nectarines – apply at bud swell to early bloom.

Apples – apply prior to fruit set or post harvest.

VEGETABLES: Apply ½ to 2 gallons per acre in a minimum of 15-50 gallons of water per acre.

WHEAT (Small grain): Apply 1-3 gal./acre as a nitrogen (N) supplement at flag leaf (Feekes 8-10) stage.

MIXING AND APPLICATION

Add ½ total water to spray tank.

Turn on recirculation line.

Add any pesticides and other materials.

Add desired amount of CoRoN® 10-0-10 Plus 0.5% B.

Bring water to final volume.

Apply in adequate spray volume for complete coverage.

For fertigation treatments, add concentrate to injection tank.

APPLICATION FACTORS		
Gal./Acre	Lbs. N/Acre	Lbs. K ₂ O/Acre

CONDITIONS OF SALE–LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale–Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
