HERBIMAX®

PETROLEUM OIL-SURFACTANT ADJUVANT
FERTILIZER COMPATIBLE

MAXIMIZES HERBICIDE PERFORMANCE IN POST-EMERGENCE APPLICATION

Principal Functioning Agents:
- Petroleum Hydrocarbons (light paraffinic distillate, odorless aliphatic petroleum solvent) ........................................................................................................................................... 83.00%
- Alkylphenol ethoxylate, tall oil fatty acid ........................................................................................................................................... 16.32%
- Constituents ineffective as spray adjuvants ........................................................................................................................................... 0.68%
- TOTAL .............................................................................................................................................................................................................................................................................. 100.00%

Contains petroleum distillates
CA Reg. No. 34704-00032; WA Reg. No. 34704-00006

KEEP OUT OF REACH OF CHILDREN

DANGER

Hazard Statements: Causes serious eye irritation. Causes skin irritation. May be fatal if swallowed and enters airways. Combustible liquid.

Precautionary Statements:
- Wash hands thoroughly after handling.
- Keep away from flames and hot surfaces.
- No smoking.
- In case of fire use alcohol resistant foam, CO₂, powder, water spray. Do not use water jet.

HAZARD STATEMENTS:
- Causes serious eye irritation. Causes skin irritation. May be fatal if swallowed and enters airways. Combustible liquid.

FIRST AID:
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If on skin: Wash skin with plenty of water for at least 15 minutes, or until skin is no longer contaminated. If on clothing, remove clothing immediately. Rinse clothing before reuse.
- If swallowed: Immediately call a poison control center or doctor for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor.
- If on skin or clothing: Remove contaminated clothing immediately by washing or exchanging. Wash skin with plenty of water for at least 15 minutes, or until skin is no longer contaminated. If on clothing, remove clothing immediately. Rinse clothing before reuse.
- Inhale: Move person to fresh air. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
- If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give water to the person. Do not give anything by mouth to an unconscious person.

Environmental Precautions: Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

STORAGE AND DISPOSAL
- Store: In cool, dry place. Do not store in direct sunlight. Do not store near heat or flame.
- Disposal: Offer container for recycling or dispose of in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.
