Hazards to Humans and Domestic Animals
WARNING
Before using this product, read all precautions, directions for use, conditions of sale – limited warranty and limitations of liability and remedies.

May be harmful if swallowed. Causes mild skin irritation. Causes eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment (PPE): Wear chemical-resistant gloves, safety glasses or goggles, long-sleeved shirt and long pants, and shoes plus socks.

GENERAL INFORMATION
Hydra-Hume® is designed for soil and foliar applications. Hydra-Hume® can be applied 5–6 times during the growing season. Apply at no more than 3 gallons per application. Products containing humic acid, such as Hydra-Hume®, may aid in the uptake of micro nutrients.

Suggested Directions
Hydra-Hume® can be applied to all crops including: vegetable crops, row crops, field crops, trees and vines.

Apply Hydra-Hume® at the rate of 1/4–1 gallon per acre in enough water to provide thorough coverage. Hydra-Hume® can be used in most crop protection sprays.

Apply Hydra-Hume® at the rate of 1/4–3 gallons per acre with most liquid fertilizers in soil applications.

Fertilization: Inject Hydra-Hume® at 1–2 gallons per acre 2–6 times in season alone or in combination with fertilizers. Superior results from fertilizers injected into irrigation water can be achieved with 1 gallon of Hydra-Hume® mixed with 10–20 gallons of liquid fertilizer. Substitute TruFlex® for Hydra-Hume® when fertilizer solutions are less than pH 5.5.

Conditions of Sale – Limited Warranty and Limitations of Liability and Remedies
Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the “Company”). In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company’s election, one of the following:
1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expenses of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
