OMRI Listed

The following product is OMRI Listed. It may be used in certified organic production or food processing and handling according to the USDA National Organic Program Rule.

Product
Metalosate Calcium Amino Acid Complex Soluble Powder Foliar Fertilizer

Company
Albion Laboratories
Regulatory Department
101 North Main Street
Clearfield, UT 84015

Status
Allowed with Restrictions

Category
NOP: Calcium Chloride

Issue date
17-Nov-2015

Product number
abl-6048

Class
Crop Fertilizers and Soil Amendments

Expiration date
01-Dec-2016

Restrictions
May only be used as a foliar spray to treat a physiological disorder associated with calcium uptake.
