Handling Instructions

Keep out of reach of children.

Avoid contact with eyes or prolonged contact with skin.

CAUTION: CONTACT MAY CAUSE EYE OR SKIN IRRITATION.

Avoid contact with eyes or prolonged contact with skin. In case of contact, flush eyes with plenty of water for at least 15 minutes and get prompt medical attention; wash skin thoroughly with soap and water.

General Recommendations

Before including any other fertilizer with RISER®, in soil-furrow applications conduct a jar test of the products to be mixed in their respective proportions and observe it for 24 hours, before mixing large quantities. The person making the recommendation or application is responsible for verifying the soil safety of any products mixed with RISER® when used as directed the product does not supply all nutrients required by plants and in soil is applied in accordance with soil fertility programs based on soil tests.

Soil or Foliar Applications

Use 2 to 5 gallons RISER® per acre in furrow planting or foliar application. Water may be applied 24 hours after RISER® when higher volume application is desired. Optimum rate of application will vary between fields, depending on soil pH and organic matter content. For best results, follow soil test or plant analysis recommendations.

Transplant Solutions

Use 0.5 to 1.5 gallons of RISER® per acre in 100 gallons/acre transplant water. For furrow transplant application use 0.5 to 1.5 gallons of RISER® per acre in 100 gallons/acre.

Chromium EDTA is ethylenediaminetetraacetic acid. HEDTA is hydroxyethylethylenediaminetriacetic acid. Anhydrous Ammonia, Copper EDTA, Iron EDTA, Manganese EDTA, and Zinc EDTA.

ATM Available Phosphate (P2O5) 0.7%

0.95% Urea Nitrogen

6.0% Ammoniacal Nitrogen

0.07% Chelated Copper (Cu)

0.20% Chelated Iron (Fe)

0.07% Chelated Manganese (Mn)

Zinc (Zn) 0.06%

0.06% Chelated Zn (Z)

Garnered From: Ursus Atrcapillus Mice, Ammuncus Polypterus, Pristurus Advenus, Zhe Duver, Antipiusuus Antarica, Copper EDTA, Iron HEDTA, Manganese EDTA, and Zn EDTA. EDTA is ethylenediaminetetraacetic acid. HEDTA is hydroxyethylethylenediaminetriacetic acid.

Keep out of reach of children.

WARNING

Avoid contact with eyes or prolonged contact with skin.
