

CAL-BOR

FOR CORRECTION AND PREVENTION OF MICRONUTRIENT DEFICIENCIES IN MOST CROPS

GUARANTEED ANALYSIS

Calcium (Ca) 10.00%
 Boron (B) 0.50%

Derived from calcium chloride and sodium borate.

Chlorine (Cl), maximum 19.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed
 May be harmful in contact with skin
 Causes serious eye irritation
 Causes skin irritation
 May be harmful if inhaled

Contains **BORON**. Do not use on plants sensitive to **BORON**.

WEIGHT PER GALLON: 10.60 lbs. (4.81 kg) SN 082815G

NET CONTENTS: 5 gal (18.92 L) NET WEIGHT: 53 lbs (24.04 kg)

Information about the components of this lot of fertilizer may be obtained by writing to Helena Chemical Company, 225 Schilling Boulevard, Suite 300, Collierville, TN 38017 and giving the lot number which is found on the container.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes skin irritation. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID

IF IN EYES:	<ul style="list-style-type: none"> Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a POISON CENTER or doctor immediately. Rinse mouth. Do NOT induce vomiting. Do not give anything by mouth to an unconscious person. Immediately call a POISON CENTER or doctor.
IF INHALED:	<ul style="list-style-type: none"> Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a POISON CENTER or doctor for treatment advice.
IF ON SKIN OR HAIR:	<ul style="list-style-type: none"> Take off immediately all contaminated clothing. Rinse skin with water or shower.

- Get medical attention if irritation develops or persists.
- Wash contaminated clothing before reuse.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

STORAGE AND DISPOSAL

TRACITE® CAL-BOR may be incompatible to aluminum, mild steel and brass. Store in HDPE, fiberglass or stainless steel containers. Use only stainless steel, P.V.C. or polypropylene fittings. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwater or spray waste.

Storage: Store in a cool place in original container in a locked storage area inaccessible to children, pets, domestic animals or wildlife.

Container Disposal: Do not reuse empty containers. Triple rinse (or equivalent), then offer for recycling or dispose of according to current local, state and federal regulations.

For help in chemical emergencies involving spill, leak, fire or exposure call toll free 1-800-424-9300.

GENERAL INFORMATION

TRACITE® CAL-BOR is a blend of soluble micronutrients and an organic complexing agent so as to enhance and maintain micronutrient availability and accelerate micronutrient uptake by crops.

TRACITE® CAL-BOR is non-phytotoxic and can be applied foliarly to most crops. It is recommended for use throughout the season in a program of multiple applications for greater efficiency, providing a continuous supply of vital nutrients at or near the time they are needed most. **TRACITE® CAL-BOR** is environmentally safe, made with only "clean" raw materials free from heavy metal contamination.

DIRECTIONS FOR USE

This product can be added to most nitrogen solutions or fluid fertilizers and impregnated on dry blend fertilizers. It can be tank mixed with most pesticides.

Always make a small-scale test to assure compatibility. It can be soil or foliarly applied, broadcast or banded over the row and injected through irrigation systems.

CAUTION: Do not use in high phosphate "starter" or "pop-up" fertilizer materials such as 10-34-0.

TRACITE® CAL-BOR will disperse in water with minimal agitation. It serves as a buffer when used in tank mixes with pesticides. The following mixing sequence should be followed:

- Water
- TRACITE® CAL-BOR**
- Other Fertilizers or Pesticides

RECOMMENDED RATES

The optimum rate and timing of application will vary depending on local conditions and should always be made as a result of soil and/or plant analysis and in consultation with your local agricultural authority. In the absence of test results, use the following as a guide:

Broadcast Application:

Severe Deficiency 4.6 qts. per acre

Moderate Deficiency 2-4 qts. per acre

Maintenance 1-2 qts. per acre

Banded Over the Row: Apply at 2-4 qts. per acre. Repeat as necessary if deficiency persists.

Foliar Application: Apply at 2-4 qts. per acre. Repeat as necessary if deficiency persists. Use sufficient water for thorough coverage. Ground: 10-20 gallons per acre. Air: 3-5 gallons per acre. If less water is used, slight foliage burn may occur. Spray

either early or later in the day for maximum leaf absorption. Foliar fertilization is intended as a supplement to a well balanced fertilization program and will not, by itself, provide all the nutrients normally required by agricultural crops.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of

Disclaimer: Always refer to the label on the product before using Helena or any other product.

merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
