Conducted a phytotoxicity test.

For 24 hours of mixing for best results.

Do not use Vestis on aquatic sites.

Shake well before use. Store in original container only and do not reuse empty container. Tripe rinse (or equivalent) during mixing and loading.

Recycling decontaminated containers is the best option of container disposal.

Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Conditions of Sale:
Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label.

Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on the label for the period of time the product is reasonably fit for use as stated herein, and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions influencing factors in the use of this product are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.

Vestis is a trademark of Precision Laboratories, LLC.
