Your Village offers practical advice and tips that I am able to put to use right away and see real results. My kids are happier and so am I!

- Jessica S., PhD

I watched the Listening workshop and learned several new strategies for helping my kids listen and keeping them on task--which helps me stop yelling! It was a great experience.

- Mindy B., PhD

These workshops are so helpful! I've learned so many things I never knew or even thought about before! Thank you Your Village!

- Mary, Mom of 2 girls: 9 months & 3 years

Already, this week is going much smoother--I feel like I have a game plan and the few things I have already done have made a big difference. Thank you again!

- Jennifer G., Mom of 3 girls: 7, 4, & 1

Your Village is amazing! The potty training tools made potty training so smooth. Now I'm using the tips to wean the pacifier and I'm feeling confident. Thanks so much!

- Elizabeth, Mom of 2 boys: 3 1/2 years & 6 months
